September Learning Focus

Theme: All About Me

Colour: Yellow

Shape: Circle

In September we will focus on getting to know your children, their likes and interests. We will help the children to develop confidence and feel comfortable in a new environment. We will support children to settle into a new routine and encourage them to form friendships with their peers while having fun.

We provide a child centred approach to learning, following the interests of the children.

Children will enjoy story and rhyme every day. We will start this school year by encouraging our children to take turns during conversation, to listen to others and wait.

We will model and co-play to facilitate and extend each child's experience.

Please understand that messy play is part of our learning – Children will get dirty on occasion.
